Research Vice President – Hedge Fund Strategies

Department: **Investments - Research**

Reports to: **Managing Director**

Location: **Hong Kong**

Contact: **Human Resources (careers@gcmip.com)**

SUMMARY

We are seeking a Vice President for the Hedge Fund Strategies Research team based in Hong Kong. This person will join a team of investment professionals focused on the Asian market and a broader Hedge Fund Strategies Research team of over thirty investment professionals. The Hedge Fund Strategies Research team works closely with other investment and operational professionals throughout GCM Grosvenor.

RESPONSIBILITIES

The individual will be involved in the following critical activities:

- Assume significant responsibility for the sourcing, review, monitoring and evaluation of Asian hedge fund managers, and make recommendations relative to these activities.
- Serve as primary analyst on certain of the firm's existing investments with Asian hedge fund managers. Monitor existing relationships with managers and communicate any potential issues/changes and investment opportunities to the team and Investment Committee.
- Perform due diligence on potential new investments with Asian hedge fund managers across various strategies and make written recommendations to the research group and investment committee.
- Communicate Asian manager and strategy-related issues to the investments group, investment committee, and investors.
- Provide Asia market, strategy, and manager insights to the broad investment team.
- Collect data and perform thorough qualitative and quantitative analysis of existing and potential investments in Asia.
- Track, analyze and interpret trends in the strategies and the related Asia capital markets.
- Write regular research reports on Asian hedge fund strategies and the industry broadly.
- Actively collaborate and participate with the business development team and clients in account reviews, marketing and product development for hedge fund strategy product offerings.
- Perform special projects related to the Asia strategy or hedge fund industry.

EDUCATION, SKILLS AND EXPERIENCE REQUIREMENTS

The ideal experience and critical competencies for the role include the following:

- Bachelor's degree required. An advanced degree (MBA) and/or appropriate professional designation, such as a CFA preferred.
- 8 - 10 years of experience with a proven track record of investment leadership and advancement in positions of increasing responsibility. Experience in hedge fund manager selection or monitoring of hedge fund investments required. Exposure to Asian hedge funds a plus.
- Fluency in English and Mandarin (includes reading and writing ability) is essential.
- Broad-based investment and capital markets knowledge, as well as, in-depth experience in valuation analysis, due diligence and the investment process.

(GCM Grosvenor reserves the right to add to, delete, change or modify the essential duties and requirements at any time. Other functions may be assigned to the position at GCM Grosvenor's discretion.)

If interested and qualified for this position, please notify Human Resources.

EQUAL OPPORTUNITY EMPLOYER M/F/D/V

- The self-confidence and ability to formulate well-reasoned and independent opinions, and to express such views into an intelligent written investment thesis.
- Strong analytical skills with proven success in a role that provides due diligence, research and interpretation of market environment, opportunities and investment strategies.
- Demonstrated initiative and ability to work in a fast paced, changing environment.
- High degree of integrity and the ability to recognize the requirements of confidentiality with a strong concern for quality of final product and the ability to balance that concern with deadlines.
- Excellent organizational skills and the ability to manage multiple tasks simultaneously in a cross functional team environment. Entrepreneurial approach to task management. Ability to take control and manage tasks independently to closure.
- Superior written and verbal communication skills.
- Collaborative individual who is a team player, self-starter, and independent thinker.
- Ability to travel.

In terms of cultural fit, the successful candidate will be self-motivated and energized by working amongst a group of thoughtful, smart and successful colleagues. He or she will enjoy being part of an organization focused on excellence and will be a naturally collaborative person who enjoys interacting with individuals at all levels. Additionally, he or she will be a strong team player with a proactive approach and the ability to exercise discretion and judgment.

HOW TO APPLY

Interested candidates should submit a letter of interest along with a resume to careers@gcmlp.com. Please reference “**Research VP, Hong Kong #101181**” in the subject line of the email.
